Dear Parishioners:

**Glory to Jesus Christ! Слава Ісусу Христу!**

**HAPPY THANKSGIVING WEEKEND!**

God bless us all this Thanksgiving Weekend! What a wonderful time to have a bit of a break to get outside, enjoy the autumn, spend time with family and/or friends (in-person or online) and relax and just take in how truly blessed we have been and how blessed we are and just "give thanks" to our Lord and to all those around us.

We can surely come up with a list of things for which we are grateful. This is often a practice at this time to go around the table or the group and everyone has a chance to put into words - the various things, people, opportunities, blessings for which they are truly thankful. (Sometimes we realize right at that moment for what we are especially thankful for!). But, what we are surely most grateful for is the gift of life that the Lord has given us to enjoy now and the gift of Eternal Life that the Lord has also won reinstated for us and for the great gift of the Holy Eucharist!

"Having received the divine, holy, immaculate, immortal, heavenly, and life-giving, awesome Mysteries of Christ, let us rightly give thanks to the Lord!"

**Fr. Michael Kwiatkowski**

**Would someone please make a movie about this?**

One of the most exciting stories you will ever read is the amazing story of what happened during the **Battle of Lepanto**, October 7, 1571. And... thanks to how it turned out (we won!), the **feast of the Holy Rosary** was instituted!

Key players? How about... a scoundrel called Don Juan... a smart and holy Pope who took a chance on the scoundrel... ambitious Sultans and their hordes of determined Turks... and the Blessed Mother Mary herself? How's that for a movie cast?

There has still not been produced a worthy movie — at least in English — about what happened during this Battle, nor why to this day we and our children should be grateful to Mary for helping "us" win this battle.

But grab your popcorn anyway and read a great account on the 'Net: <https://www.catholic.com/magazine/print-edition/the-battle-that-saved-the-christian-west>

[The Battle that Saved the Christian West | Catholic Answers](#)

October is the month of the Holy Rosary! If this story doesn't have you ready and willing to say your rosary every day with great gusto from now on...hmm...

Catechism coordinator, Mrs. **Teresa Hryndzio** arranged for three of our Catechism children - **Matthew, Addisyn** and **Daniel** - to be ceremoniously presented with their first full Bible as part of their lifelong faith journey! Congratulations!

**BTW** Why do we pray the "Our Father", "Hail Mary" and the "Glory be.." after Liturgies for the deceased and after the Rosary and other similar moments?

In many cases, it directly relates to the concept of "indulgences". An **indulgence** is remittance of the temporal punishment due to sin. A "plenary indulgence" is the **full** remittance of such punishment. Some of the requirements needed to receive an indulgence for yourself or to obtain one for a deceased loved one, is **1.** to make a good Confession, **2.** worthily receive our Lord in Holy Communion, usually **3.** perform some charitable or religious act AND... **4.** "pray for the Intentions of the Pope". Thus... the three prayers mentioned above are added. During this **Year of St Joseph** we may obtain such a plenary indulgence every day! Also each day that we pray the **Rosary**.
