

Would you help us?

The UCWLC of Blessed Virgin Mary Parish is undertaking a project to provide at least 10 purses full of personal essentials to women who have been abused or battered and have escaped (sometimes with just the clothes on their backs) to Willow Place – a safe haven here in Winnipeg where they are provided with counselling, and a warm place to live while they get their lives back on track. Many have been denied even the simple pleasure of having their own purse (a staple for all women).

Donations we need (all personal items must be New, not used):

Deodorant
Feminine Hygiene Products
Shampoos and Conditioners
Body Wash
Hand Lotion
Small Mirror

Monetary Donations (will be used to buy gift cards for Tim's /McDonald's for each purse)
